

# Code of Ethics

It should be understood that at a Christian Service Camp, Christian conduct shall govern all activities. Here are a few guidelines noted to avoid any misunderstanding.

1. Every person (camper, faculty and staff) is expected to live up to the camp schedule.
2. Permission to leave the camp grounds must be secured with the director or dean of the week.
3. The following behaviors will result in dismissal from the camp:
  - a. Hazing or hitting other campers or staff;
  - b. Continued disrespect to campers, faculty, or staff;
  - c. Failure to respond to the authority of camp staff;
  - d. Stealing or pilfering through other's belongings; or
  - e. Campers who consistently fail to follow the camp dress code. Decency and modesty in dress must prevail at all times. This applies to length, tightness, and transparency of clothing. The world's standards are not always high enough for Christians. Parents are responsible for seeing that their children bring clothing that will not dishonor Christ. The camp deans and/or director will be the final authority. Here's a good idea—if in doubt, leave it at home!
4. Campers who destroy camp property (buildings, equipment, vehicles, grounds, etc.) will be responsible for the cost of repair or replacement. Please—no writing on walls, tables, bunks, benches, etc.
5. The use of tobacco, alcohol, undesirable language, non-prescription drugs, weapons, fire-arms, fireworks, and anything that are handicaps to Christian growth are prohibited at the camp. This rule applies to everyone—campers, staff and visitors.
6. Electronic Media (including cell phones, ipods, video games, and ipads) are discouraged from being brought to camp. They are a distraction to our program and any damages or lost items are not HMCA's responsibility. Any person taking pictures in the dorm or posting pictures online without parents permission can be legally responsible for their actions.
7. Automobiles driven to camp by campers must be parked and locked, and remain that way throughout the week. Turn keys in to office or dean.
8. All illnesses and injuries are to be reported to the camp nurse or dean immediately! Insurance coverage is in effect, but prompt reporting is essential. Sick children are not to be brought to camp.
9. Parents, please be prompt in picking up your camper. Early departure is not recommended. For safety purposes, campers can only be signed out by the person whose name appears on the camper registration card as being the one who will pick up the camper.

I have read and fully understand the guidelines listed above. If the camper fails to abide by the guidelines stated, disciplinary action will occur and may include dismissal from the camp program.
