Square Footage Campaign: Upgrading Staff Housing at HMCA

By Tim Yankey

I have been extremely touched by the number of churches and families who have contributed to our Square Footage Campaign. As of late November, we have received \$97,151 in cash donations toward our \$150,000 goal! We would love your help to cross the finish line.

As you can see from the pictures, the outside framing and siding is complete on both homes. The Hall's addition will give their family a living room, 2 more bedrooms, and a 2nd full bathroom. The Camp Director's new house will replace the old home built in 1949 as the original Girls Dorm at the camp.

I want to say a personal thank you to all the contractors and volunteers in our churches who have helped with a part of these projects. Both of our families

are extremely excited to have more room and healthier home conditions. We still need some help with painting, hanging doors, and finishing touches on the projects this winter. If you would like to help, please let me know.

Remember your church camp this Christmas season with a donation towards our Square Footage Campaign. If you would like to make a charitable contribution by sponsoring a square foot of the project, please fill out the form and mail it to camp this Christmas Season. All donations made to HMCA are tax deductible and can be written off your income taxes! Generous gifts from our camp families are what helps keep our camp facilities improving. Thank you for your support.

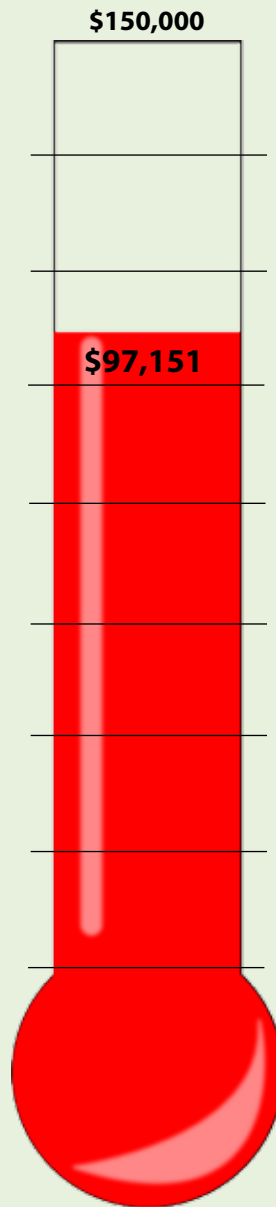

Hall & Yankey Families

Will You Help?

As you have seen in previous newsletters and again in this issue, there is a great need for modified housing for our full-time staff.

With a variety of molds in the Yankey residence and the cramped quarters in the Hall cottage, changes needed to be made. We are grateful for the gifts pledged and received thus far, but as you can see from the thermometer, we still need more gifts to make our goal of \$150,000 a reality. If you have not participated in our Square Footage Campaign, why not fill out the form below and send it to us along with your tax-deductible gift.
