

Dear Friends of HMCA:

We are inviting businesses and corporations we have relationships with to participate in our annual golf scramble. All proceeds will be used to help continue the needed repairs and improvements to our camp's facilities. You can help in 3 ways:

First, if you would like to golf your team is welcome. We are playing again at Sugarwood Golf Club in Lavalette WV on Friday April 26th. The Early registration cost is \$260 for a 4 player team if registered by April 17th; \$280 after. A registration form is enclosed, or you can sign up from our website using the Golf Status App under the Retreat & Events Tab from our website.

Second, we are looking for a Corporate Sponsor (\$2,000) a T-shirt Sponsor (\$800) and hole & tee sponsorships (\$125). You can have your personalized logo and information on a 18" x 24" sign placed at the tees and greens. Every player will also receive a flyer with your name, address, type of business, and contact info. Include your business card with your registration. For the past 3 years, we have averaged 120 players from 20 churches and 3 states represented. This would be great advertising for your company and it also goes to a great cause helping our camp continue to make improvements. We also use Golf Status for LIVE scoring and the app has banners with your company logo and weblinks.

Third, if you would like to donate prizes of any kind they would be greatly appreciated. These will be given away after the tournament to various participants. Good items in the past have been tickets to big events, rounds of golf, shirts, golf apparel, umbrellas, coffee mugs, a free service from your business, etc.

Please mark below the way in which you can help and send us a copy of your business card so we can follow up with you. We look forward to hearing from our business partners and we hope you will join us for this special day for HMCA.

Sincerely,

Tim Yankey, Executive Director.
